

Maja Fagman

Resumé

Who am I?

A creative individual with the ability to see the big picture while paying attention to the smallest details. I value the journey and problem-solving process just as much as the outcome. As a soon-to-be graduate, I am eager to learn new things and contribute with my fresh perspective and newly acquired knowledge.

Skills

I have certificates in Adobe Programs: **Illustrator**, **Photoshop**, **InDesign**, **Premiere Pro** and **After Effects**. I can also create models in **Fusion360** and **Blender**, as well as UV map, light and texture in **Adobe Substance Painter**, **Sampler** and **Designer**. I can also do post in **NUKE** and are learning to create in **Unreal Engine** and **Houdini**. And are always open to learning more!

Education

2023-2025

YRGO - CGD, Computer graphics design (product visualization)

During my time at Yrgo, I developed a strong foundation in 3D modeling, texturing, lighting, and rendering. I also gained experience in animation and communication, specializing in product visualization.

2020-2023

Nti Johanneberg - Aesthetic program, media

At NTI Upper Secondary School, I earned certifications in the Adobe Suite, studied essential design theories, and gained experience in web development (HTML and CSS). I also learned the basics of 3D design.

Work experience

2025 (Feb-May)

Lynk&co - Internship

During my internship at Lynk & Co Technical Training, I worked on creating and optimizing 3D assets while developing innovative visual concepts. My responsibilities included producing both 3D and 2D graphics and designing mood boards to enhance visual storytelling.

2024 (Sep-Dec)

Filmic Art - Internship

As an intern at Filmic Art, I contributed to real client projects for brands such as Norrmejerier, Kolmården, and Gröna Lund. I improved my 3D skills and gained hands-on experience in the production workflow.

2021-now

ICA Kvantum Mölndal - Cashier

I work as a cashier and assist with stocking goods. This experience has given me strong customer service and sales skills.

2019-now

Gothia event - Kiosk assistant

I work during concerts and football games as a cashier and event assistant. This role has strengthened my teamwork skills, adaptability, and ability to provide excellent customer service in a fast-paced environment.

2019-2023

Werners bistro - Kitchen, bar, cashier, waitress, counter, etc.

I started as an intern and later worked in various roles, including kitchen staff, bartender, cashier, and waitress, during summers and weekends.
